

PPC Campaign on Boost Ad (Meta Ads)

1. Campaign & Ad Selection

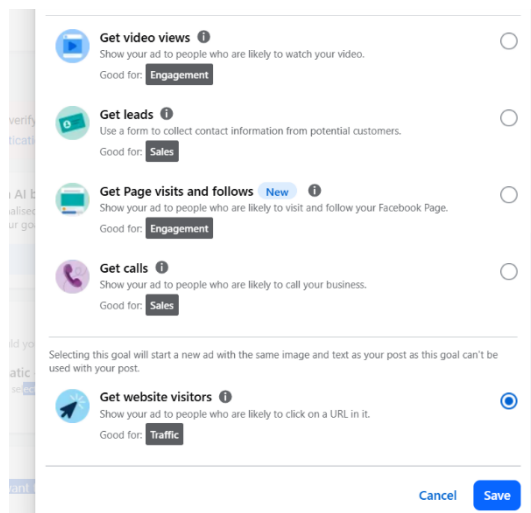

Selected a relevant Reel as the creative for the **Meta Ads Boost Campaign**, ensuring it aligned with the target audience and campaign objective.

2. Campaign Objective

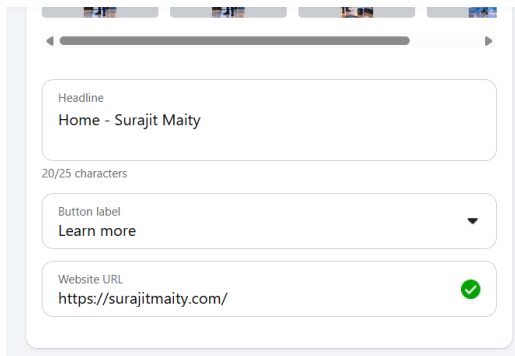

Selected “**Get website visitors**” as the campaign objective to drive targeted traffic from Facebook to the website.

- **Objective:** Website Traffic
- **Goal:** Increase website visits
- **Strategy:** Reach people likely to click the website URL

3. Ad Creative & CTA

Customized the ad with a clear **“Home - Surajit Maity”** headline, **“Learn More”** CTA, and website URL to encourage visitors to explore the website.

Headline
Home - Surajit Maity

20/25 characters

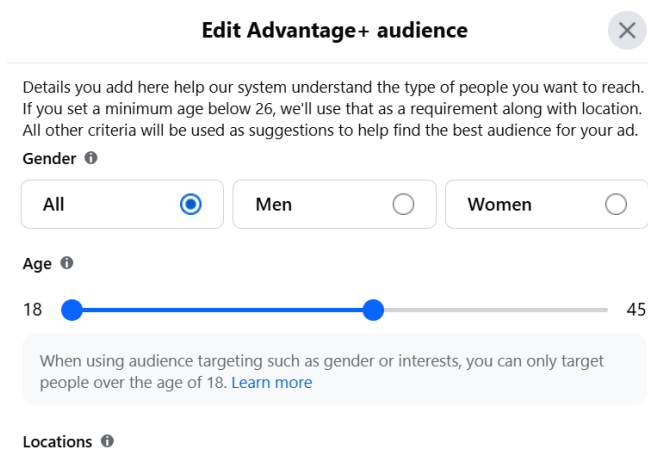

Button label
Learn more

Website URL
https://surajitmaity.com/

4. Audience Targeting

Configured the **Advantage+ audience** with an **18–45 age range** and **all genders** to reach a broader potential audience for the website traffic campaign.

Edit Advantage+ audience

Details you add here help our system understand the type of people you want to reach. If you set a minimum age below 26, we'll use that as a requirement along with location. All other criteria will be used as suggestions to help find the best audience for your ad.

Gender

All ☒ Men ☐ Women ☐

Age

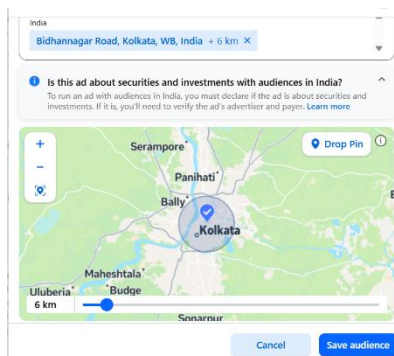

18 45

When using audience targeting such as gender or interests, you can only target people over the age of 18. [Learn more](#)

Locations

5. Location Targeting

Set the campaign location to **Bidhan Nagar Road, Kolkata**, with a **6 km radius** to focus the ad on a specific local audience.

India
Bidhan Nagar Road, Kolkata, WB, India + 6 km

Is this ad about securities and investments with audiences in India?
To run an ad with audiences in India, you must declare if the ad is about securities and investments. If it is, you'll need to verify the ad's advertiser and payer. [Learn more](#)

Map showing location targeting around Kolkata, India. The selected location is Bidhan Nagar Road, Kolkata, WB, India, with a 6 km radius. The map includes labels for Serampore, Panihati, Bally, Maheshtala, Uluberia, Budque, and Sonarpur.

6. Budget & Schedule

Set the campaign to start on **19 September 2026** with a **₹120 daily budget** and continuous delivery. Meta estimated approximately **9.4K–17.4K impressions per day** based on the selected settings.

The screenshot shows the Meta Ads campaign configuration interface. At the top, there are two input fields: 'Start date' set to '19 Sep 2026' and 'Start time' set to '19:38'. Below these, the 'Run ad continuously' option is selected with a radio button. A sub-note states, 'Your ad will run until you've paused it.' The 'Choose end date' option is unselected. The 'Daily budget' is set to ₹120.00. Below the budget, it shows 'Country, currency' as 'IN, INR' with a 'Change' button. A large blue text displays '₹ 120.00' with an edit icon. At the bottom, a slider shows the budget range from ₹94.91 to ₹5,000.00, with a blue dot indicating the current setting at ₹120.00. Above the budget, it says 'Estimated 9.4K-17.4K impressions per day'.

7. Budget & Estimated Results

Set a **₹120 daily ad budget**, with an estimated **9.4K–17.4K impressions per day**. Including **₹21.60 GST**, the estimated daily total is **₹141.60**.

Estimated daily results	
Impressions ⓘ	9.4K-17.4K
Payment summary	
Your ad will run continuously.	
Budget	₹ 120.00 INR
Estimated GST	₹ 21.60 INR
Daily total budget	₹ 141.60 INR

8. Payment Setup

Reviewed the **Meta Ads payment setup**, where a payment method is required before publishing the campaign. Supported payment options were displayed for account setup and ad billing.

The screenshot shows the Meta Ads payment setup interface. At the top, there is a warning icon and the text 'Payment method required'. Below this, a note states: 'When you publish your ad, you'll be asked to add a payment method to your ad account. This payment method will be charged for any amount spent beyond the value of your ad credit.' Below the note, there is a blue button with a credit card icon and the text 'Payment method'. Below the button, there is a link that says 'You may get more than one bill for this ad. Learn more'. At the bottom, there are icons for various payment methods: VISA, Mastercard, JCB, and Google Pay. To the right of these icons is an 'Add' button.

Conclusion

This Meta Ads Boost Campaign was structured to drive **targeted traffic to the website** through a focused Reel promotion. The campaign included audience targeting, local location selection, optimized ad messaging, a **₹120 daily budget**, and continuous delivery. Overall,

the project demonstrates practical experience in **Meta Ads setup, audience targeting, budget planning, and paid social media campaign management.**
